History of Orienteering in NZ

"Last year, 2013, marked the 40th anniversary of the founding of the New Zealand Orienteering Federation.

To mark the occasion, with the blessing of the NZOF, I prepared a history of orienteering in NZ.

It is available on the NZOF website at: http://www.nzorienteering.com/nzof/A_40th_anniversary_history_of_orienteering_in_New_Zealand.pdf or by going to the NZOF website Home page and scrolling down the second column, Updates.

RESULTS

Rangiora Score Event - 3rd February 2014

- Dominic

It was a nice hot day with a good number of people thanks to the advertising in the local paper.

There were about sixty competitors and there were about the same number of competitors in the 60 minute as there was in the 90 minute. The 60 minute was hotly contested with 3 first place getters. With a grand total of 1990 points to collect Callum Cleary came closest with 1930 points. It was a great day with the AGM after the event.

Newsletter Information

If you have an orienteering story, picture, news items or a good idea, I would love to hear from you! The PAPO newsletter is produced under guidelines of the PAPO Committee. The editor may shorten, lengthen or embellish contributions, all in a respectful way, of course!

Deadlines: Generally the beginning of the month.

Contributions should be sent by email where possible as we never open the mail!

Ads: Cost \$50 per half page per month or \$400 per half page per year. Non-orienteering or related ads may not be accepted.

Accuracy of information: Please check latest event information as details may vary from print time to event time. The best sources for updates are the PAPO and Maptalk websites (details above) and the regular email bulletins sent out by the club.

General Information

WHISTLES EVERYONE please note that carrying a whistle while running a course is recommended.

Cancellations: Events are usually only cancelled in the event of extreme conditions such as heavy snow, flooding, dangerous river conditions etc., which are more likely to affect mountain areas. Cancellations will be published on the website www.papo.org.nz

Start times: vary and are published in the event notices. For most club events registration is from 10:00am, the first start is 10:30am and the last start is 1:00pm. Course closure is 2:30pm so late starters only have 90 minutes for their run.

Finishing and Course Closure: Please remember to always come to the finish area, whether you finished your course or not and hand in your control card or punch the finish box, so that we can account for everyone who started. Course closure is the time at which you MUST have returned to the finish area even if you have not yet completed your course. It is at this time that the organisers may start taking in controls (and looking for you if you have not returned).

Helpers: All members are asked to be helpers during the year. The Volunteer Co-ordinator will contact you by email or by phone and the Chief Organiser will contact you shortly afterwards to make arrangements. Please contact them when you arrive at the event. Helpers who set up/pack up/work on registration may opt for a free run on the day or receive VIP points.

Control collection: Please offer to collect controls at the end of the event and receive VIP points.

Dogs: No dogs on farmland please!

Permanent Courses: Three are available, with options to suit a wide range of abilities, including beginners/children and experienced orienteers. **Victoria Park:** maps (\$3.50) and full instructions are available at the Christchurch City Council Beckenham Service Centre, 66 Colombo St. (Open normal business hours; ph: 332-3099) and at the Port Hills Visitor Centre, Victoria Park. Groups planning to use the course should let the Ranger know beforehand by phoning 332-9889. **Spencer Park:** maps and instructions are available at the Spencer Park Camp Shop, \$3 each. **Hokitika:** a park and street map outside CHCH but under PAPO's care. Starting in Cass Square Hokitika. Maps are available (FREE!) from the Hokitika Visitor Information Centre (i-Site) or Westland District Council. You will need a pencil to write down the codes on the control.

Library: The club has a collection of orienteering books etc. available for members to borrow in the caravan. General introduction to orienteering, plus training, coaching, course setting, fitness, and rogaining are covered by the 16 or so titles on the list. Some are older 10–20 year-old “classics”, but we have recently added some new publications. **In addition, look on the website → Web Page Links → ‘the Little Book of Orienteering Techniques’.**

Further information about the Permanent Courses and about other orienteering opportunities please email PAPO on info@papo.org.nz.
